

Our Director Dr.K.Venkateswara Rao garu, Exchanged (MOU) with CII Dx-EDGE on behalf of our college in the event held at Andhra University, Visakhapatnam on 14-11-2025

We are happy to share that MALINENI LAKSHMAIAH WOMEN'S ENGINEERING COLLEGE has been officially registered under the prestigious CII Dx-EDGE Initiative, an effort by the Confederation of Indian Industry (CII) to empower academic institutions as Digital Transformation Facilitation Centres (DTFCs).

This partnership places our institution among select colleges working closely with CII to drive digital adoption and innovation for MSMEs, creating new opportunities for our students, faculty, and the extended community.
