Process of Identification of Slow and Advanced learners

Department of ECE follows a streamlined mechanism for continuous monitoring and evaluation of the students. This mechanism is to customize teaching for the two different groups like bright and weak within a given batch. This will help the department to develop a process for encouraging bright students and assisting weak students.

least 9 credit hours and maintain a 3.0 GPA in each semester you receive the scholarship. In addition, you must complete 18 hours during your first academic year. (It is recommend that you take 9 hours in the fall and 9 hours in the spring.) If you do not meet this requirement, your scholarship (and in-state tuition) will be revoked, and you will be responsible for the balance. Please contact Kelly King with any questions at kking@central.uh.edu.

If you are an international applicant who requires a Form I-20 for your F-1 visa, please note that the I-20 request will be processed as soon as you have accepted the admissions offer and submitted all required documents.

Please note, before enrolling in courses, all new graduate students must submit proof of a completed Bachelor's degree. If we have not received a completed academic record for you, you will not be able to enroll in classes at this time. If you have any questions regarding what materials are missing or how to establish proof of degree, you may contact your admissions advisor.

The University of Houston is committed to developing a diverse and vibrant community of scholars throughout its many Tier 1 graduate programs. We are excited to invite you to join us. Go Coogs!

About Your GRE® Score Report

Score Reporting Policies

With the ScoreSelect® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration.
- All option – Send your scores from all administrations in the last five years.
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports).

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the GRE® Information Bulletin for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For 1- Page 1 / 2
- June

or five (5) years following the testing year in which you tested (July 1 - 2015, are reportable through June 30, 2020). GRE scores earned prior to
