Event Start Date:	23/11/2022
Event End Date:	24/11/2022
Description	<p>This program was proposed by our Principal, our NSS unit co-ordinator, in the view of World Children's day for 14th of November. We started registrations from the students of II and III year students who have eligibility to donate blood for the THALASEMIA CHILDREN in Indian society. Our familiar blood bank, who always provides blood to the required people, has already visited our college principal to get donation from the youngsters. Therefore, in consult with programme coordinator, I was suggested to get registrations from our woman-volunteers and it was 250 members in strength came forward as their interest. The Rainbow Blood Bank management has allotted two doctors to check the eligibility of the students who are interested to donate blood. Finally, approximately 80 students got eligibility to donate their blood. 23rd of November, 2022 was fixed to collect blood from these donors as a camp arranged in our Library II floor, a safest and right place to conduct this camp in our college premises. the camp in our college premises. The management of our college provided fruits and health drinks for the safety of the donors. They also provided a file which price is neatly Rs.150/- for each donor. The blood bank Management told to certify very student as a token appreciation for their sacrifice. Finally the programme became successful without any mishappening. All the donors felt their heart-content for donating blood to the little children who are suffering for Thalasemia Disease. This programme benefited a lot to our students to know about social service
